## STATEMENT OF OBJECTS AND REASONS

The Dock Workers (Regulation of Employment) Act, 1948, provides mainly for reducing the hardship caused to dock workers on account of the casual nature of their employment. The Act empowers the Central Government, in relation to any major port, and the State Government, in relation to any other port, to make a scheme for the registration of dock workers and regulating the employment of dock workers, whether registered or not, in a port.

2. So far schemes have been framed for certain specified categories of stevedore labour in the ports of Calcutta, Bombay, Madras, Cochin, Vishakhapatnam and Mormugao providing for allotment of work by rotation, payment of guaranteed minimum wages, attendance allowance, etc.

3. The actual working of the Act and the schemes made thereunder has made it necessary to make certain amendments in the Act. Though a scheme made under section 3 of the Act may make provision for welfare measures with respect to dock workers, there is no provision in the Act empowering the Central Government to make provision for welfare measures with respect to the staff of the dock labour boards in such a scheme. In order to enable the Board to incur expenditure on welfare measures with respect to its staff, it is proposed to amend suitably sub-section (2) of section 3 of the Act.

4. At present when a company (including a firm or other association of individuals) commits an offence under the Act, there is no provision making the Director, Manager, etc., of the company liable for the offence. It is proposed to insert a new section in the Act on the lines of section 22C of the Minimum Wages Act, 1948, and similar provision contained in some other labour laws, for making the Directors, Managers, etc., of the companies liable for offences or abetment thereof punishable by schemes framed under the Act.

5. The Bill seeks to give effect to the amendments proposed above.
